Glossary of Terms

Term	Definition
Art and Antiques	Art and antique dealers are entities that are involved in the trade of art and other collectables.
Auction Houses	An auction house is a company that facilitates the buying and selling of assets.
Active Account	Only clients that are active for the reporting period or were at some point active during the reporting period.
Beneficial Owner	Beneficial Owner is defined in Article (5) of the Cabinet Decision No. (58) of 2020 Regulating the Beneficial Owner Procedures : 1. "The Beneficial Owner of the Legal Person shall be whoever person that ultimately owns or controls, whether directly through a chain of ownership or control or by other means of control such as the right to appoint or dismiss the majority of its Directors, 25% or more of the shares or 25% or more of the voting rights in the Legal Person." 2. The Beneficial Owner may be traced through any number of Legal Persons or arrangements of whatsoever kind. 3. If two or more Natural Persons jointly own or control a ratio of capital in the Legal Person, all of them shall be deemed as jointly owners or controllers of such ratio. 4. If, after all reasonable means have been taken, no Natural Person is identified as an ultimate Beneficial Owner in accordance with Clause (1) of this Article, or there is reasonable doubt that any Natural Person identified as an ultimate Beneficial Owner is the true Beneficial Owner in the Legal Person; then the Natural Person who controls the Legal Person by other means of control shall be deemed as the Beneficial Owner. 5. Where no Natural Person is identified in accordance with Clause (4) of this Article; then the Natural Person who holds the position of a higher management official shall be deemed as the Beneficial Owner."
Client / Customer	A Client (identical meaning to Customer) should be understood as a Natural Person or a Legal Person/entity with whom the reporting entity has a business relationship or for whom the reporting entity carried out an occasional transaction. In this context, clients refer to all existing clients with whom the entity has had a business relationship within the reporting period including occasional (walk-in) clients who have been serviced during the reporting period. Reference to clients is made in respect of those that were provided with a relevant activity or relevant service that falls under AML/CFT regulations by the reporting entity. For more information please see Cabinet Decision No. (10) of 2019 concerning the implementing Regulation of Decree Law No. (20) of 2018, Article 1 (definition of a "Customer), Article 2 and 3 (activities and transactions that fall under the scope of the AML/CFT regulations).
Complex Ownership Structure	A complex ownership structure refers to clients in which the reporting entity has difficulty in independently verifying the identity of the Beneficial Owner of the customer. Examples may include cases where the ownership structure is complex or obscure; it may involve one or more foreign entities (company or trust) in the ownership structure; the recorded owner could be a professional (lawyer, accountant, company services business); or one or more entities in the ownership

Term	Definition
	chain might be registered in an offshore or other jurisdiction in which ownership information is not publicly accessible and, therefore, cannot be verified reliably.
Cash Intensive Clients/Businesses	Cash-intensive are businesses that predominantly receive payments in cash, such as restaurants, grocery stores, and vending machine operators, as they handle a high volume of low-denominated transactions. It can also be an industry that practices cash payments for services, such as construction or trucking, where independent contract workers are generally paid in cash and there's high exposure to stolen goods.
Casino/ Gaming	A business entity that profits from gaming/gambling proceeds such as various games of chance and gambling forms ranging from casino and card room gaming, lotteries, online gaming, race and sports wagering, such as raffles, bingo and other low technology games. The vulnerability of casinos for money laundering and terrorist financing was recognized in the revision of the FATF 40 Recommendations, with obligations on casinos being significantly enhanced.
Collective Investment Scheme (CIS)	Collective Investment Scheme is any scheme or arrangement made or offered by any company under which the contributions, or payments made by the investors, are pooled and utilized with a view to receive profits, income, produce or property, and is managed on behalf of the investors.

Annual Return Instructions, Inherent Risk

Q #	Question Text	Instructions
1 Customer Risk		
1.1 Client Summary		
1	Provide the total number of unique clients during the reporting period (active and inactive)	<p>The reporting entity shall provide the <u>number of clients</u>, from business relationships and from occasional customers/clients, for the reporting period.</p> <p>The term “unique clients” denotes that while a client might have several accounts it should only be counted as one client.</p>
2	Provide the total number of transactions (both, incoming and outgoing) by clients within the reporting period.	<p>The reporting entity shall provide the total <u>number of transactions</u> by clients (both incoming and outgoing) for the reporting period.</p> <p>The question should capture the instances when the reporting entity (1) prepares for or (2) carries out transactions for the clients. No monetary values need to be calculated, please provide the number of transactions only.</p>
3	Provide the total number of outgoing transactions for clients, broken down by destination country (including domestic transactions).	<p>The reporting entity shall provide the <u>number of client outgoing transactions</u> broken down by the destination country (not the nationality of the client) within the reporting period.</p> <p>The question should capture the instances when the reporting entity (1) prepares for or (2) carries out transactions for the clients. No monetary values need to be calculated, please provide the number of transactions only.</p>
4	Provide the total value of funds transferred with clients (both, incoming and outgoing), in AED.	<p>The reporting entity shall provide the sum of client <u>funds transferred</u> (both, incoming and outgoing) within the reporting period.</p> <p>The question should capture the instances when the reporting entity (1) prepares for or (2) carries out transactions for the clients concerning the activities mentioned above. Provide the response in AED.</p>
5	Provide the total value of outgoing funds transferred to clients, in AED, broken down by the destination country where funds are transferred (including domestic transactions).	<p>The reporting entity shall provide the sum of client <u>funds transferred</u> (outgoing transactions only), broken down by the destination country (not the nationality of the client).</p> <p>The question should capture the instances when the reporting entity (1) prepares for or (2) carries out transactions for the clients concerning the activities mentioned above. Provide the response in AED.</p>
6	Provide the total value (in AED) of the assets of clients	<p>The reporting entity shall provide the sum of client <u>assets under management</u> that are related to products or services that fall under the scope of AML/CFT regulation in the UAE.</p> <p>The value at the end of the reporting period should be used.</p>
7	Provide the total number of active accounts of clients. i.e. accounts that are active for the reporting period or were	<p>The reporting entity shall provide the total <u>number of active accounts</u> that are related to products or services that fall under the scope of AML/CFT regulation in the UAE.</p> <p>If a client has several active accounts, all of them must be counted.</p>

Q #	Question Text	Instructions
	active during the reporting period.	E.g. Client A - 4 accounts (2 savings accounts, 1 current account, and 1 securities account), Client B - 2 accounts (2 current accounts). For the purpose of this question, this would amount to 6 accounts in total (although the number of Clients will be 2 only).
8	Provide the total number of accounts of clients that are dormant, for the duration of the reporting period.	The reporting entity shall provide the total <u>number of dormant accounts</u> that are related to products or services that fall under the scope of AML/CFT regulation in the UAE. If a client has several dormant accounts, all of them must be counted. E.g., bank A - 4 accounts (2 savings accounts, 1 current account and 1 securities account), bank B - 2 accounts (2 current accounts). For the purpose of this question, this would amount to 6 accounts in total (although the number of Clients will be 2 only).
9	Provide the total number of active accounts of financial services, broken down by country where financial services are provided. Report client accounts only for countries that do not have a physical establishment of the Reporting Entity (Headquarters, subsidiary, or branch)	This question aims to collect the number of active accounts that receive financial services in countries where the reporting entity has no physical presence. The term “unique clients” denotes that while a client might have several accounts it should only be counted as one client. Only clients that are active for the reporting period or were at some point active during the reporting period should be reported.
1.2 Clients, Natural Persons		
10	Provide the total number of active unique clients that are Natural Persons (individuals), broken down by their nationality (including domestic clients).	The reporting entity shall provide the <u>number of unique clients</u> that are Natural Persons, broken down by the Natural Person’s nationality (including domestic clients) that have used products or services that fall under the scope of AML/CFT regulation in the UAE. If a Natural Person (individual) acts on behalf of a Legal Person or Arrangement, it should not be counted as a Natural Person client. If the nationality is unknown, please select nationality “Unknown” from the dropdown. Only clients that are active for the reporting period or were at some point active during the reporting period should be reported. The term “unique clients” denotes that while a client might have several accounts it should only be counted as one client.
11	Provide the total number of transactions (both, incoming and outgoing) with clients that are Natural Persons, broken	The reporting entity shall provide the <u>number of transactions</u> (both, incoming and outgoing) within the reporting period with Natural persons (individuals), broken down by the nationality of the sender, that have used products or services that fall under the scope of AML/CFT regulation in the UAE.

Q #	Question Text	Instructions
	down by the nationality of the sender.	<p>If a Natural Person (individual) acts on behalf of a Legal Person or Arrangement, it should not be counted as a Natural Person client.</p> <p>The question should capture the instances when the reporting entity (1) prepares for or (2) carries out transactions for the clients concerning the activities mentioned above. No monetary values need to be calculated, please provide the number of transactions only.</p> <p>If the nationality is unknown, please select nationality “Unknown” from the dropdown.</p>
12	Provide the total number of outgoing transactions by clients that are Natural Persons, broken down by destination country of the transaction (including domestic).	<p>The reporting entity shall provide the <u>number of outgoing transactions</u> by Natural Person clients within the reporting period, broken down by the destination country (not the nationality of the client).</p> <p>The question should capture the instances when the reporting entity (1) prepares for or (2) carries out transactions for the clients concerning the activities mentioned above. No monetary values need to be calculated, please provide the number of transactions only.</p>
13	Provide the total value of funds transferred with clients that are Natural Persons, (both, incoming and outgoing), in AED, broken down by the nationality of the sender.	<p>The reporting entity shall provide the sum of <u>funds transferred</u> by Natural Person clients within the reporting period (both incoming and outgoing), broken down by the nationality of the sender.</p> <p>The question should capture the instances when the reporting entity (1) prepares for or (2) carries out transactions for the clients concerning the activities mentioned above. Provide responses in AED.</p> <p>If the nationality is unknown, please select nationality “Unknown” from the dropdown.</p>
14	Provide the total value of outgoing funds transferred to clients that are Natural Persons, in AED, broken down by the destination country where funds are transferred (including domestic transactions).	<p>The reporting entity shall provide the sum of client <u>funds transferred</u> by Natural Person clients within the reporting period (outgoing transactions only), broken down by the destination country (not the nationality of the client).</p> <p>The question should capture the instances when the reporting entity (1) prepares for or (2) carries out transactions for the clients concerning the activities mentioned above. Provide the response in AED.</p> <p>If the country is unknown, please use select country “Unknown” from the dropdown.</p>
15	Provide the total value (in AED) of the assets for clients that are Natural Persons, broken down by nationality of the client.	<p>The reporting entity shall provide the sum of client <u>assets under management</u> for clients that are Natural Persons that are related to products or services that fall under the scope of AML/CFT regulation in the UAE, broken down by nationality of the client.</p> <p>The value at the end of the reporting period should be used</p>

Q #	Question Text	Instructions
16	Provide the total number of unique clients that are Natural Persons (individuals), broken down by residency (including domestic clients).	<p>The reporting entity shall provide the <u>number of Natural Persons</u> (individuals) that are clients of products or services that fall under the scope of AML/CFT regulation in the UAE, broken down by Natural Person residency.</p> <p>Please note, if a Natural Person acts on behalf of a Legal Person or Arrangement, it should not be counted as a Natural Person client.</p> <p>If the residency is unknown, please select residency "Unknown" from the dropdown.</p> <p>Only clients that are active for the reporting period or were at some point active during the reporting period should be reported.</p> <p>The term "unique clients" denotes that while a client might have several accounts it should only be counted as one client.</p>
17	Provide the total number of transactions (both, incoming and outgoing) with clients that are Natural Persons, broken down by residency (including domestic clients).	<p>The reporting entity shall provide the total <u>number of transactions</u> (both incoming and outgoing) with Natural Person clients for the reporting period, broken down by residency (including domestic clients).</p> <p>The question should capture the instances when the reporting entity (1) prepare for or (2) carry out transactions for the clients concerning the activities mentioned above. No monetary values need to be calculated, please provide the number of transactions only.</p> <p>If the residency is unknown, please select residency "Unknown" from the dropdown.</p>
18	Provide the total value of funds transferred with clients that are Natural Persons, (both incoming and outgoing), in AED, broken down by residency (including domestic clients).	<p>The reporting entity shall provide the sum of <u>funds transferred</u> by Natural Person clients within the reporting period (both incoming and outgoing), broken down by the residency of the client.</p> <p>Please note, if a Natural Person acts on behalf of a Legal Person or Arrangement, it should not be counted as a Natural Person client.</p> <p>The question should capture the instances when the reporting entity (1) prepares for or (2) carries out transactions for the clients concerning the activities mentioned above. Customer Due Diligence requirements are stipulated under AML/CFT Law No.20 of 2018, Article 16, and AML/CFT Cabinet Decision No. (10) of 2019
3.4 Introduced Clients		
445	Does your entity accept clients through Introducers?	This question aims to capture whether or not your entity uses the services of third parties to introduce the clients. An introducer is a Financial Institution/DNFBP who has a direct relationship with a client but delegates the financial transaction execution to another financial institution (i.e., an introducer is a foreign/global company that brings a client to the licensed entity)
446	Please provide the total number of unique Introducers, that have introduced clients to your establishment.	Please provide the total <u>number of unique Introducers</u> , that have introduced clients to your entity during the reporting period. The term “unique Introducers” denotes that while an Introducer might have Introduced several clients it should only be counted as one Introducer.
447	Please provide the total number of new unique clients, that are Natural Persons, that have been onboarded via Introducers.	Please provide the <u>number of clients</u> that are Natural Persons, that have been Onboarded via Introducers during the reporting period. The term “unique clients” denotes that while a client might have several accounts it should only be counted as one client.
448	Please provide the total number of new unique clients, that are Legal Persons, that have been onboarded via Introducers.	Please provide the <u>number of clients</u> that are Legal Persons, that have been Onboarded via Introducers during the reporting period. The term “unique clients” denotes that while a client might have several accounts it should only be counted as one client.
449	Please provide the total number of new unique clients, that are Legal Arrangements, that have been onboarded via Introducers.	Please provide the <u>number of clients</u> that are Legal Arrangements, that have been Onboarded via Introducers during the reporting period. The term “unique clients” denotes that while a client might have several accounts it should only be counted as one client.
3.5 Reliance on third parties for CDD purposes		
450	Does your entity rely on third parties to undertake some/all	Financial institutions may permit reliance on third parties to perform elements of the CDD to introduce business, provided that the criteria set are met. See Cabinet Decision No. (10) of 2019 Section 6

Q #	Question Text	Instructions
	CDD measures towards clients?	
451	Please provide the total number of unique third parties your entity has relied on to undertake some/all CDD measures towards clients to your entity.	Please provide the total <u>number of unique third parties</u> used by the reporting entity within the reporting period, that undertake some or all CDD measures for clients. The term “unique third parties” denotes that while a third party might undertake some/all CDD measures for several clients it should only be counted as one third party.
452	Please provide the total number of unique clients that are Natural Persons, where your entity has relied on third parties to undertake some/all CDD measures within the reporting period.	For the reporting period, please provide the total <u>number of clients</u> that are Natural Persons where the reporting entity relied on third parties to undertake some or all CDD measures for clients. Provide unique clients only. The term “unique clients” denotes that while a client might have several accounts it should only be counted as one client.
453	Please provide the total number of unique clients that are Legal Persons, where your entity has relied on third parties to undertake some/all CDD measures within the reporting period.	For the reporting period, please provide the total <u>number of clients</u> that are Legal Persons where the reporting entity relied on third parties to undertake some or all CDD measures for clients. Provide unique clients only. The term “unique clients” denotes that while a client might have several accounts it should only be counted as one client.
454	Please provide the total number of unique clients that are Legal Arrangements, where your entity has relied on third parties to undertake some/all CDD measures within the reporting period.	For the reporting period, please provide the total <u>number of clients</u> that are Legal Arrangements where the reporting entity relied on third parties to undertake some or all CDD measures for clients. Provide unique clients only. The term “unique clients” denotes that while a client might have several accounts it should only be counted as one client.
3.6 Rejected / Terminated Relationships or Transactions		
455	Please provide the total number of new client business relationships (potential clients) that have been rejected due to AML/CFT considerations during the reporting period. (i.e. not entering into a business relationship)	The reporting entity shall provide the <u>number of potential clients</u> (potential business relationships) that were rejected within the reporting period due to AML/CFT considerations.
456	Please provide the total number of client business relationships (clients) that have been terminated due to AML/CFT considerations during the reporting period.	The reporting entity shall provide the <u>number of clients</u> (former clients) where the business relationship was terminated within the reporting period due to AML/CFT considerations.

Q #	Question Text	Instructions
	(i.e. existing business relationship terminated)	
457	Please provide the total number of blocked/rejected client transactions (both, incoming and outgoing) due to AML/CFT considerations.	The reporting entity shall provide the <u>number of transactions</u> blocked or rejected, both incoming and outgoing, due to AML/CFT considerations within the reporting period. The question should capture the instances when the reporting entity (1) prepares for or (2) carries out transactions for the clients concerning the activities mentioned above. No monetary values need to be calculated, please provide the number of transactions only.
458	Please use this space to provide additional info or feedback from this section. If none, state 'none'	provide additional info or feedback from this section

Annual Return Instructions, Controls and Risk Mitigation

Q #	Question Text	Instructions
1. Controls and Quality of Risk Mitigation		
1.1 Compliance / Regulation History		
1	Has the reporting entity had any AML/CFT related violations during the reporting period?	The reporting entity should disclose whether it had any AML/CFT related compliance failures, including minor shortcomings, during the reporting period. This relates to Cabinet Decision No. (10) of 2019 concerning implementing regulation of Federal Decree Law No. (20) of 2018 on Anti Money Laundering and Combating the Financing of Terrorism and Illegal Organizations or under the previous Federal Law No. 9 of 2014 (Amending Certain Provisions of Federal Law No. (4) of 2002 Concerning the Combating of Money Laundering Crimes) .
2	Please provide the total number of violations during the reporting period	The reporting entity should disclose the total <u>number of violations</u> it had during the reporting period. Any AML/CFT related compliance failures, including minor shortcomings, should be counted under this question.
3	Was any violation type related to Policies and Procedures?	Refer to Cabinet Decision No. (10) of 2019 for information about violation types. Indicate if the Entity has experienced any of these violations.
4	Was any violation type related to risk assessment or risk profiling?	Refer to Cabinet Decision No. (10) of 2019 for information about violation types. Indicate if the Entity has experienced any of these violations.
5	Was any violation type related to Governance?	Refer to Cabinet Decision No. (10) of 2019 for information about violation types. Indicate if the Entity has experienced any of these violations.
6	Was any violation type related to Compliance Officer?	Refer to Cabinet Decision No. (10) of 2019 for information about violation types. Indicate if the Entity has experienced any of these violations.

Q #	Question Text	Instructions
7	Was any violation type related to CDD?	Refer to Cabinet Decision No. (10) of 2019 for information about violation types. Indicate if the Entity has experienced any of these violations.
8	Was any violation type related to Cash Transaction Reporting?	Refer to Cabinet Decision No. (10) of 2019 for information about violation types. Indicate if the Entity has experienced any of these violations.
9	Was any violation type related to STRs?	Refer to Cabinet Decision No. (10) of 2019 for information about violation types. Indicate if the Entity has experienced any of these violations.
10	Was any violation type related to Record Keeping?	Refer to Cabinet Decision No. (10) of 2019 for information about violation types. Indicate if the Entity has experienced any of these violations.
11	Was any violation type related to Training?	Refer to Cabinet Decision No. (10) of 2019 for information about violation types. Indicate if the Entity has experienced any of these violations.
12	Was any violation type related to Targeted Financial sanctions?	Refer to Cabinet Decision No. (10) of 2019 for information about violation types. Indicate if the Entity has experienced any of these violations.
13	Please provide any background information concerning the violations of your Entity, for the year. Including types of violations.	Provide any background information concerning the violations of your Entity, for the year. Including types of violations.

1.2 General Policies and Procedures

14	Does your Entity have a documented set of AML/CFT Policies and Procedures?	The reporting entity should disclose whether it has written policies and procedures in place that outline how does the reporting entity implements AML/CFT legal requirements.
15	Were these policies and procedures approved by the board and senior management of your Entity?	The reporting entity should disclose whether its written AML/CFT policies and procedures have been formally approved by the senior management (be it the Board of Directors or any other person that executes control over the entity and/or has decision-making power).
16	Did your Entity circulate these policies and procedures to all its employees?	The reporting entity should disclose whether its written AML/CFT policies and procedures have been circulated to all its employees.
17	Did your Entity ensure awareness of these policies and procedures to all its employees?	The reporting entity should disclose whether it has ensured awareness of written AML/CFT policies and procedures to all its employees.
18	Please describe how your entity ensures awareness and understanding of these policies and procedures to its employees?	The reporting entity should briefly summarize how it ensures awareness and understanding of its AML/CFT policies and procedures to its employees.
19	Did your Entity update their written AML/CFT Policies and Procedures during the year?	The reporting entity should disclose whether the written AML/CFT policies and procedures have been updated within the last 12 months.
20	Does your Entity have a systematic practice of tracking and managing changes to the AML/CFT Policies and	The reporting entity should disclose whether it has a systematic practice of tracking and managing changes to AML/CFT Policies and Procedures, such as version control, or a log/list which allows someone to see the frequency of updates and review processes.

Q #	Question Text	Instructions
	Procedures, e.g. via version control?	
1.3 AML/CFT Risk Assessment		
21	Did your Entity carry out and document an internal risk assessment to understand its money laundering and terrorist financing risks?	The reporting entity should disclose if it conducts ML/TF risk assessments as stipulated under AML/CFT Law No. (20) of 2018, Article 16.1(a) , and AML/CFT Cabinet Decision No. (10) of 2019, Article 4 . The analysis and the results of such a risk assessment should include written documentation.
22	Does the entity adopt a Risk Based Approach in identifying and managing potential Risks in combating Money Laundering crimes?	The reporting entity should provide inform if it has adopted a Risk Based Approach in identifying and managing potential Risks in combating Money Laundering crimes
23	Does the internal risk AML/CFT assessment considers the results of the National Risk Assessment?	The reporting entity should discuss the internal risk AML/CFT assessment considers along with the results of the National Risk Assessment.
24	Are internal AML/CFT risk assessment(s) approved by the senior management of your Entity?	The reporting entity should disclose if senior management approves internal AML/CFT risk assessments. Senior management, being responsible for overall risk management and control, also overseeing ML/FT risk and trends. Governance related requirements are stipulated under AML/CFT Law No.20 of 2018, Article 16.1(d) and AML/CFT Cabinet Decision No. (10) of 2019, Article 4.2(a), 20, 21, 44.4 .
25	Did your Entity circulate the results of the internal AML/CFT risk assessment(s) to the company's employees?	"Yes" or "No"
26	Does your Entity have a process in place to track any emerging ML/FT risks relating to new products?	This relates to identifying and assessing the money laundering or terrorist financing risks that may arise in relation to (a) the development of new products and new business practices, including new delivery mechanisms, and (b) the use of new or developing technologies for both new and preexisting products.
27	Does your entity conduct Gap Analysis between your Policies and Procedures and Laws/Cabinet Decisions / Notices and Guidelines	The reporting entity should specify if it conducts an annual Gap Analysis between your Policies and Procedures and Laws/Cabinet Decisions / Notices and Guidelines
28	Does your Entity conduct Enterprise-wide AML Risk Assessment?	The reporting entity should disclose, when carrying ML/TF risk assessment, whether client risks are taken into account by the reporting entity.

Q #	Question Text	Instructions
		Consideration could be given to the risks and vulnerabilities of the different types of clients and services bought by these clients, volume and value of their payments, etc.
29	Does the entity's Enterprise-Wide Risk assessment consider Geographic Risk?	<p>The reporting entity should disclose, when carrying out ML/TF risk assessment(s), whether Geographic (country) Risks are being taken into account by the reporting entity?</p> <p>Consideration should be given to the risks and vulnerabilities relating to different countries, i.e., geographical impact should be measured for (1) clients (taking into account residency, citizenship of clients, etc.); (2) payments (countries of incoming and outgoing payments); (3) delivery channels (countries of intermediaries, introducers, outsourcing agencies, etc.). Risks and vulnerabilities of the domestic geographic regions might also be considered, if relevant.</p>
30	Does the entity's Enterprise-Wide Risk assessment consider Client Risk?	<p>The reporting entity should disclose, when carrying out ML/TF risk assessment(s), whether Client Risks are being taken into account by the reporting entity?</p> <p>Consideration should be given to the risks and vulnerabilities of the different types of clients and services bought by these clients, volume and value of their payments, etc.</p>
31	Does the entity's Enterprise-Wide Risk assessment consider Products, Services, and Transactions risk?	<p>The reporting entity should disclose, when carrying out ML/TF risk assessment, whether Products, Services and Transactions Risks are being taken into account by the reporting entity?</p> <p>Consideration should be given to the risks and vulnerabilities of the different products and services offered by the reporting entity, volume and value of payments by activity, business operations, etc.</p>
32	Does the entity's Enterprise-Wide Risk assessment consider Distribution Channel Risk?	<p>The reporting entity should disclose, when carrying out ML/TF risk assessment, whether Delivery Channel Risks are being taken into account by the reporting entity?</p> <p>Delivery Channel Risk should capture (1) means through which services/products are being delivered to clients and (2) means through which clients are being onboarded; (3) any AML/CFT related outsourcing solutions that might exist.</p>

1.4 Virtual Assets Risk Assessment

33	Has your entity conducted a separate risk assessment for Virtual Assets to ML, TF or PF risks?	The reporting entity shall disclose whether or not it has conducted a separate risk assessment for Virtual Assets to Money Laundering, Terrorist Financing or Proliferation Financing risks. Please answer 'Yes' or 'No'.
34	Provide the date of last update of the Risk Assessment	Enter the date of creation of the Separate Risk Assessment for VA – or the date of last update.

Q #	Question Text	Instructions
35	Does your entity have separate control measures to identify and/or verify the Beneficial Owners of Virtual Assets?	The reporting entity shall disclose whether or not it has separate control measures to identify and/or verify the Beneficial Owners of Virtual Assets. Please answer 'Yes' or 'No'.
36	Does your entity have governance and organizational controls that would address any conflict of interest between the financial business and virtual assets activities?	The reporting entity shall disclose whether or not it has governance and organizational controls that would address any conflict of interest or segregation. Please answer 'Yes' or 'No'.

The reporting entity shall disclose whether or not it has any systems and controls to implement the FATF Travel Rule i.e. collect, store and transmit originator and beneficiary information for each transaction
38	Attach relevant policies and procedures for the internal controls related to dealing with Virtual Assets	Documents
1.5 Governance		
39	Does the board and senior management of your Entity regularly receive AML/CFT reports?	<p>The reporting entity should disclose whether the board and senior management receive regular reports on ML/TF risks and vulnerabilities, trends and overall AML/CFT compliance.</p> <p>Senior management of the reporting entity, being responsible of overall risk management and control, should also oversee ML/TF risk and trends.</p> <p>Governance related requirements are stipulated under AML/CFT Law No.20 of 2018, Article 16.1(d) and AML/CFT Cabinet Decision No. (10) of 2019, Article 4.2(a), 20, 21, 44.4</p>
40	Does the board and senior management of your Entity ensure that AML/CFT shortcomings are rectified?	<p>The reporting entity should disclose whether Senior management of the reporting entity, being responsible of overall risk management and control, take actions to rectify shortcomings in AML/CFT compliance areas and mitigate ML/TF risks.</p> <p>The necessity of actions can be determined based on ML/TF business risk assessment results, periodic AML/CFT reporting, supervisory onsite examination reports, etc.</p> <p>Examples of such actions might include: (a) approving budgetary resources to hire more employees for AML/CFT Compliance, investing in employees' knowledge and expertise through training, seminars, certifications (b) buying</p>

Q #	Question Text	Instructions
		necessary IT (technical resources), such as monitoring systems, automated screening solutions, (c) prioritizing AML/CFT area for internal audit, etc.
1.6 Compliance Officer (Money Laundering Reporting Officer)		
41	Has your Entity appointed an AML/CFT compliance officer (MLRO)?	The reporting entity should appoint a Compliance Officer, see AML/CFT Cabinet Decision No. (10) of 2019, Article 20.3, 21, and 44.12. The reporting entity should disclose whether it has appointed a compliance officer in line with the legal requirements as referred to above.
42	Does the appointed compliance officer report to the CEO/Board?	“Yes” or “No”
43	Does the MLRO have the necessary powers and independence to perform his/her duties?	Duties of a Compliance Officer are stipulated under AML/CFT Cabinet Decision No. (10) of 2019, Article 21. The reporting entity should disclose if the compliance officer has the necessary power and independence to perform his/her duties, such as: 1. Detect Transactions relating to any Crime. 2. Review, scrutinize and study records, receive data concerning Suspicious Transactions, and take decisions to either notify the FIU or maintain the Transaction with the reasons for maintaining while maintaining complete confidentiality. 3. Review the internal rules and procedures relating to combating the Crime and their consistency with the Decretal-Law and the present Decision, assess the extent to which the institution is committed to the application of these rules and procedures, propose what is needed to update and develop these rules and procedures, prepare and submit semi-annual reports on these points to senior management, and send a copy of that report to the relevant Supervisory Authority enclosed with senior management remarks and decisions. 4. Prepare, execute and document ongoing training and development programs and plans for the institution’s employees on Money Laundering and the Financing of Terrorism and Financing of Illegal Organizations, and the means to combat them. 5. Collaborate with the Supervisory Authority and FIU, provide them with all requested data, and allow their authorized employees to view the necessary records and documents that will allow them to perform their duties.
44	Are the functions and responsibilities of the Compliance Officer clearly established and documented?	The reporting entity should disclose whether it has documented (written form) the functions and responsibilities of the Compliance Officer.
45	Has the Compliance officer of your Entity been approved by the Securities and Commodities Authority	The reporting entity should disclose whether its Compliance Officer has been approved by the Securities and Commodities Authority (https://www.sca.gov.ae/en/home.aspx)

Q #	Question Text	Instructions
46	Does the MLRO have access to all the company's records, including all transaction and financial records?	The reporting entity should disclose whether the compliance officer is given access to all company's records, including financial.
47	If access is restricted, what are the types of documents the compliance officer has been granted access to?	If access is restricted, the reporting entity should indicate what are the types of documents the compliance officer has been granted access to.
48	Does the compliance officer of your Entity prepare regular and periodic AML/CFT reports for the board, senior management, and supervisory bodies?	The reporting entity should disclose whether the compliance officer prepares reports for the board, senior management, and supervisory bodies, as required under Cabinet Decision No. (10) of 2019, Article 21 (3) : "prepare and submit semi-annual reports <...> to senior management, and send a copy of that report to the relevant Supervisory Authority enclosed with senior management remarks and decisions".
49	Does the compliance officer review red flagged transactions and unusual transactions?	The reporting entity should disclose whether the compliance officer ensures compliance with the AML/CFT policies and procedures, as required under Cabinet Decision No. (10) of 2019, Article 21 (2) "Review, scrutinize and study records, receive data concerning Suspicious Transactions, and take decisions to either notify the FIU or maintain the Transaction with the reasons for maintaining while maintaining complete confidentiality".

1.7 Know Your Customer / Customer Due Diligence

50	Does your Entity apply a risk-based approach to customer due diligence measures (CDD)?	The reporting entity should disclose whether CDD requirements are being applied in accordance with the risk-based approach. A broad range of CDD requirements are stipulated under AML/CFT Cabinet Decision No. (10) of 2019, Article 4, 5, 7.
51	Does your Entity have policies and procedures that specify the difference in documentation and requirements for different levels of CDD? (e.g. simplified, standard and enhanced due diligence).	The reporting entity should disclose whether it has written policies and procedures in place that outline the difference in documentation and requirements for simplified, standard and enhanced due diligence.
52	Does your entity consider NAMLCFTC's list of High-Risk Countries and Countries under Increased Monitoring in its risk assessment?	The reporting entity should disclose whether it considers NAMLCFTC's lists of High Risk Countries and Countries under Increased Monitoring. High-risk Countries and Countries under Increased Monitoring are classified as having significant strategic deficiencies in their regimes to counter money laundering, terrorist financing, and proliferation financing. NAMLCFTC Jurisdictions
53	Does your Entity consider additional countries or jurisdictions as being high risk for AML/CFT?	"Yes" or "No"

Q #	Question Text	Instructions
54	Please provide the total number of unique clients that are subject to simplified customer due diligence measures.	The reporting entity should provide the <u>number of clients</u> , including from business relationships and from occasional clients, that are subject to simplified customer due diligence measures, for the reporting period. The term “unique clients” denotes that while a client might have several accounts it should only be counted as one client.
55	Does your Entity identify and verify all of its clients using reliable and independent sources of information?	The reporting entity should disclose whether it identifies and verifies the identity of its clients using reliable and independent sources of information? Identification and verification requirements are stipulated under AML/CFT Cabinet Decision No. (10) of 2019, Article 8 .
56	Does your Entity have written procedures for client acceptance and identifying and verifying client and BO identity?	The reporting entity should disclose whether policies include procedures for client acceptance and procedures for identifying and verifying client and Beneficial Owner identity. The Beneficial Owner of the Legal Person shall be whoever person that ultimately owns or controls, whether directly through a chain of ownership or control or by other means of control such as the right to appoint or dismiss the majority of its Directors, 25% or more of the shares or 25% or more of the voting rights in the Legal Person. Identification and verification requirements for Beneficial Owners are stipulated under AML/CFT Cabinet Decision No. (10) of 2019, Chapter 3 .
57	Does your entity identify and verify the identity of all BO for clients that are Legal Persons/Arrangements?	The reporting entity should disclose whether it identifies and verifies the identity of its Beneficial Owners. Identification and verification requirements for Beneficial Owners are stipulated under AML/CFT Cabinet Decision No. (10) of 2019, Article 9 .
58	Does your Entity understand and record the ownership/control structure of Legal Persons/Arrangements clients?	The reporting entity should disclose whether it understands the nature of the Client’s ownership and control structure for Legal Persons and Legal Arrangements. The requirement to understand clients' ownership and control structure is stipulated under AML/CFT Law No. (20) of 2018, Article 1 (see CDD definition) and AML/CFT Cabinet Decision No. (10) of 2019, Article 1 (see CDD definition), Article 8(4) .
59	Does your Entity understand the purpose and nature of all client relationships?	The reporting entity should disclose whether it understands the intended purpose and nature of all clients relationships.
60	Does your Entity understand and record the nature of the clients’ business, for clients that are Legal Persons/ Arrangements	The reporting entity should disclose whether it understands the nature of the Client’s business (what it is offering to its clients), for Legal Persons and Legal Arrangements.
61	Does your Entity classify its clients according to ML/FT risks?	The reporting entity should disclose whether it assesses the risks of its clients by groups or classifications.

Q #	Question Text	Instructions
62	Does your Entity undertake ongoing due diligence on all client relationships?	Does your Entity undertake ongoing due diligence on all client relationships? Ongoing due diligence requirements are stipulated under AML/CFT Cabinet Decision No. (10) of 2019, Article 7 Reporting entities are required to: 1. Audit transactions that are carried out throughout the period of the business relationship, to ensure that the transactions conducted are consistent with the information they have about the Client, their type of activity, and the risks they pose, including - where necessary - the source of funds. 2.
